

WHO WE ARE

Solace Center is Trumbull County's only private, non-profit Supervised Visitation and Safe Exchange program that provides support, guidance and assistance to families who've experienced some type of trauma like abuse, neglect, violence, divorce, separation or custody issues which may cause stress or other difficulties.

The program helps children establish a relationship with the non-residential party, siblings and other family members by promoting safe parental access to the child/ren. The Solace Center provides a neutral, safe, family-friendly environment with trained personnel who monitor time-limited visits and exchanges.

HOW TO GET STARTED

Referrals may be made by Family Court, Children Services or attorneys. Self-referrals are also accepted.

After a referral is received, each party is required to schedule an initial intake by calling the Solace Center at 330-766-0689 for an appointment. Separate intakes must be completed by each party before services can begin. At the time of the intake there is a one time fee of \$25.00 assessed to BOTH parties.

NOTE: Intakes are conducted on the second floor of Trumbull County Family Relations Court located at 220 Main Ave S.W. in Warren, Ohio.

Information is gathered from each party during the intake. Parties are then given specific details regarding the program including a handbook outlining the rules of the program. It also discusses how to prepare your child and what to expect during the visits. Once both parties have completed the face-to-face individual intake interview, visits are typically scheduled within one week.
